Events that Will Truly Be Remembered…

Every event at Chicago Indoor Racing is a unique occasion, with unique guests. We have designed some pre-bundled events with something for everyone. Keep in mind that we tailor each event specifically for each unique client… so these are just examples of some of the events that we could design for you.

All rates include any applicable service charges, state and local taxes and all equipment and licensing that you would need to participate. No strings attached.

Our Addison facility features 104,000 square feet of meeting & event space that can accommodate up to 700 guests comfortably, offering a multitude of options for your event.

Our Buffalo Grove location has a vast 86,000 square feet of meeting & event space that can accommodate up to 400 guests.

- Two Indoor European kart tracks with up to seven configurations
- Affordable Private lounge and entertainment spaces
- Customized catering and bar packages
- A full service Bar & Grille with private dining areas
- Affordable Meeting Rooms, with AV included free of charge!
- An array of low cost award and trophy options
- Addison Only | CyberSport, a hybrid of bumper cars, lacrosse and basketball in a sport that everyone is guaranteed to enjoy.

It is up to you to select the elements of the event that you feel would most appeal to your group… let's get to work!

For Those That Will Be Racing…

All racing events include all necessary licensing and equipment to participate. Tracks are rented by the hour with the amount of hours required being determined by the number of driving participants and the racing format selected.

Custom Options | Choose any of the Formats Below for Groups of 20 or More

Competitive Challenge | Individual Grand Prix or Tournament Format | See Page 5 for Pricing Information
Each driver will receive a heat or set of heat races with an opportunity to accrue points based on their finishing position to qualify to participate in a Final Championship Race for bragging rights.

Casual Fun Open Races for the Group | Perfect for receptions and for groups of 50 or more… *
Track is opened up for racing to the entire group and races are run at pre-selected intervals as determined by the client based on the amount of track rental hours they choose to purchase. Briefings to be held every 15 to 20 minutes with drivers suiting up, and then registering at the registration desk for the next available race. Up to 10 drivers may race at one time on each track. You can choose from 15 Lap (7 to 8 races per rental hour) or 10 Lap (8 to 10 races per rental hour) Open Racing.

The Team Relay Option
Racing is nonstop, with the only exception being quick 20 to 30 second supervised driver changes, as one driver gets out of the kart and the next gets in. Each team must complete a preset amount of driver changes. The team completing the most laps within the given time will be declared the winner. Non drivers make great Team Captains! All karts lap times and scores will be tracked by team vs. individual. Want to be able to see team and individual results? Consider our Team Grand Prix Event.

The Team Grand Prix Event | See Page 5 for Pricing Information
Each driver will be pre-assigned into a team by either the organization booking the event, or by a Chicago Indoor Racing track Manager (recommended- then they blame us, not you!). Drivers will participate in a series of heat races, accruing points for their team based on their finishing position in each race. The top 10 drivers will receive a bonus race with the chance to accrue additional points to help their team. The team with the most points wins! All drivers will receive individual race results.

Track Rental $1,400 per hour Peak | $1,200 per hour Non-Peak

Peak Times | Track M-F After 5pm & All Day Saturday
Non Peak Times | M-F Before 5pm & All Day Sunday

All Prices Subject to Change

Wish You Could Pick Out What YOU Want?

We Believe In Choices…

We like choices… loads of choices, especially when it comes to food and beverage. Our Chef has created a set of both pre-fixed restaurant and catering menus designed for groups from small to large. That means you can choose what you want, and serve it when you want, where you want it.

All of our food is made fresh… in house… from scratch. Have something in mind you don't see… ask and we will create it for you. Want us to worry about what to pick… we have planners with good taste to do it for you.

We have catering menus with prices starting at $12.50… you are bound to find a multitude of options to fit your group and your budget.

How can we keep our prices so reasonable? It's all done in house, and with a bigger refrigerator than freezer, you are going to love what we have cooking! As our food isn't our only revenue generator, we can keep our margins leaner and that will keep your bottom line healthier. Who doesn't like a healthier bottom line?

Having a celebration? Ask about our cake pricing.

Due to having our own in house full service restaurant and catering staff we do not allow any outside food or beverage to be brought into the facility.
